Essential Qualification	Ph.D. in Computer Science & Engineering / Information Technology / Software Engineering / Cyber Security / Artificial Intelligence / Electronics & Communications / Mathematics & Computing or a closely related discipline.
Desirable Qualification	A record of publications in reputable journals or demonstrated research expertise in relevant areas. Note: <i>Desirable qualifications are not mandatory and may be used only for academic preference during shortlisting/selection.</i>
Age Limit	45 years. Age relaxation, if any, shall be applicable as per Government of India / DTU / funding agency norms.

Indicative Academic Outcomes	Contribution towards scholarly research outputs, including at least one (01) high-quality research manuscript , subject to academic feasibility and originality of contribution
How to apply	The duly filled application form appended with detailed CV, recent passport size photograph along with proofs of educational qualifications, experience certificates and research publications in a single PDF file should be sent through email to pawansingh@dtu.ac.in and copy(CC) to sanjay.kumar@dtu.ac.in & anurag@dtu.ac.in The subject line of the Email should be “ Application for the post of Honorary Post-Doctoral Research Affiliates (Non-Remunerative) under MeitY sponsored project ”
Last date to apply	19/02/2026
Date of Academic Interaction	The shortlisted candidates will be informed through email only.

Terms and Conditions:

1. The association is **purely academic, voluntary, and non-remunerative** in nature.
2. No fellowship, stipend, honorarium, TA/DA, or any other financial benefit shall be admissible.
3. Academic shortlisting shall be carried out based on academic credentials and research alignment, followed by an academic interaction, if required.
4. This association does **not confer any right or claim for employment, regular appointment, or financial entitlement** at DTU or with the funding agency.
5. Academic authorship and contributions shall follow **standard scholarly and journal-specific norms**.
6. Intellectual property, if any, shall be governed by applicable institutional and funding agency policies.
7. Confidentiality of project-related information shall be maintained, and the Affiliate may be required to sign a Non-Disclosure Agreement (NDA) as per institutional norms.
8. Candidates who are currently employed may be required to submit a No Objection Certificate (NOC), if applicable, at the time of issuance of the Letter of Academic Association.
9. All communication with shortlisted/selected candidates shall be made only through email and/or the official website. No individual correspondence shall be entertained.
10. The Chief Investigator reserves the right to fill or not to fill any position advertised, without assigning any reason.
11. The date of academic interaction shall be communicated only to eligible shortlisted candidates via email.
12. Canvassing in any form will lead to disqualification of candidature.

Dr. Pawan Singh Mehra
